DelRay Square

A complete suite of fully customizable square box fireplaces

Easy to sell

392 unique custom looks with the universal burner system

Create contemporary, transitional, traditional styles

Meets requirements for efficiency rebates

Field propane convertible

Mobile home compatible

Four sizes: 34, 38, 42, 46

Full load models come standard with fans, halogen downlighting, multi-function remote control, micro mesh screen

The 34 & 38 are approved for masonry chimney applications with co-linear venting adaptor

Outdoor Room Approved in properly protected spaces

Positioned competitively in builder upgrade to premium price points

One fireplace to learn, near infinite design and installation possibilities

Easy to install & service†

Bring combustible wall finishes right to edge of the fireplace with the Cool Wall Advantage or Cool Wall Release

Cool Wall Release (as shown left) allows for the close placement of TV, artwork, etc. This also removes the requirement for the included cement board.

Trim kits allow for the easy installation of flush finishes

Top or rear 5/8" vent for the 38, 42, and 46 units. The 34 uses top or rear 4/7" venting

DelRay 38 is convertible to 4/7" (top vent only)

Easy access control board slides out for easy diagnostics without removing glass

Montigo build quality with reliable SIT ProFlame II control system
