## Interior Liner Pattern & Color Combinations

### REFRACTORY LINERS

Solid poured refractory panels available in one color with standard grout joints in stacked or herringbone patterns.

Stacked

Herringbone

### MOSAIC MASONRY FIREBRICK LINERS

Mosaic Masonry liners are constructed with true kiln fired firebricks and mortared joints for a classic masonry fireplace appearance. Offered in four solid colors in full stacked, full herringbone, split stacked and split herringbone patterns.

Ivory  
Full Stacked

Slate Grey  
Full Herringbone

Midnight  
Split Stacked

Warm Red  
Split Herringbone
