Why **Frigidaire**?

At Frigidaire, we don't just provide HVAC systems. We provide long-lasting home comfort that allows you to focus on the things that matter most. Our systems deliver the perfect blend of performance, durability, and aesthetic appeal — **the Total Package™**.

Total piece of mind, backed by:

Comfort Promise
10-year warranty*

When registered, Frigidaire equipment comes with a 10-year limited parts warranty, 10-year Quality Pledge, and limited lifetime heat exchanger warranty for ultimate peace of mind.

*Product registration required

TOTAL PACKAGE™

All Frigidaire® HVAC systems come with the **Total Package**.
They are all designed with your total satisfaction in mind.

TOTAL COMFORT

Frigidaire HVAC systems are designed to keep homes quiet and comfortable.

TOTAL QUALITY

Frigidaire HVAC systems are built to last.

TOTAL APPEAL

Frigidaire HVAC systems are designed with aesthetics in mind.

Your **Ideal System.**

With the Frigidaire HVAC Total Package, you get everything you could ever want from your HVAC system. We've made it simple to choose the HVAC system with two product lines that distinguish between **better and best**. Our Essentials and Brilliance product series are thoughtfully designed with you in mind.

Find the best fit for your home.

Essential Series

A **fundamental** series offering everything you need to keep your home comfortable.

Better Comfort

Delivering **standard efficiency** performance with added temperature control features.

Better Quality

Designed with the most **durable, no-nonsense** components that offer reliable operation.

Better Appeal

A **sleek design** and cool finish make these units a welcome addition to the exterior and interior of your home.

Brilliance Series

A **premium** series taking what you love about our base series to new heights.

Best Comfort

Our **highest efficiency** equipment with our greatest temperature modulation capabilities.

Best Quality

Contains our core dependable components plus the latest in efficiency and **comfort technology**.

Best Appeal

The same sleek Essential Series design with added **noise reduction** features that appeal to the ears as well as the eyes.

Air Conditioners

Take a deep breath and enjoy the peace of mind that comes with the Total Comfort, Quality, and Appeal of a Frigidaire HVAC air conditioner. These no-nonsense HVAC systems provide the Total Package for homeowners looking for reliable, efficient cooling power during hot summer days.

TOTAL COMFORT

- ① **Swept-wing fan blade** reduces unwanted noise significantly.
- ② **Compressor sound blanket** further muffles noise associated with normal operation.
- ③ **Composite base pan** absorbs sound and enhances equipment durability.
- ④ **Inverter-driven compressors** modulate between different capacities to provide more even temperatures and increased energy efficiency.*

*FSA1BG only

TOTAL QUALITY

- ⑤ **Galvanized steel metal jackets** include a corrosion-resistant salt-spray tested finish to protect your unit from excessive wear and tear.
- ⑥ **All-aluminum coil technology** undergoes rigorous quality testing and resists corrosion for long-lasting performance.
- ⑦ **Comfort Promise warranty** ensures you're covered should anything happen to your equipment. When matched and registered, equipment carries a 10-year limited parts warranty and 10-year quality pledge.

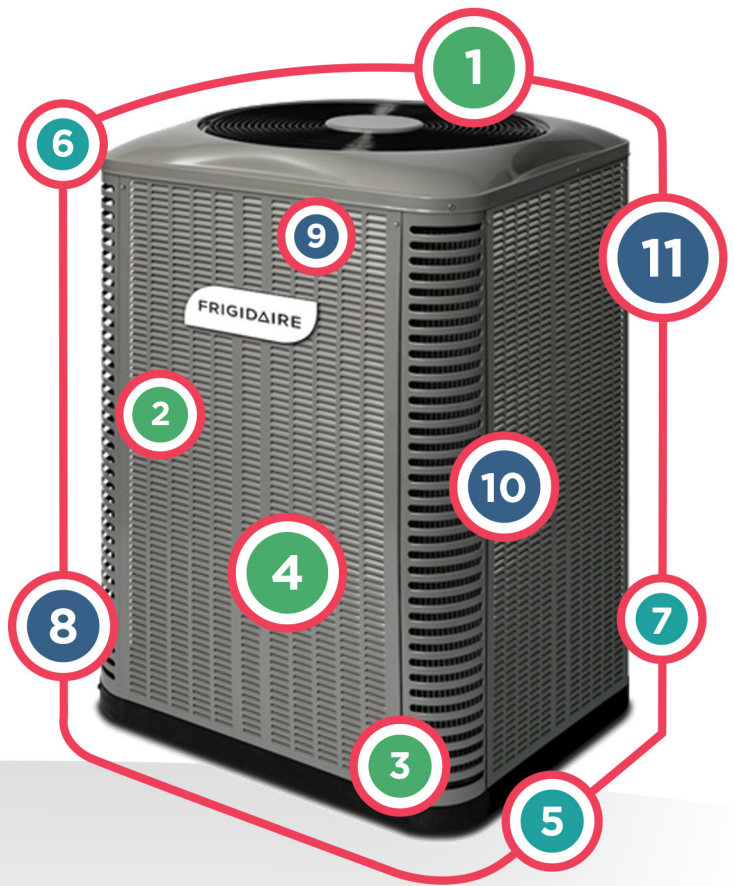

TOTAL APPEAL

- ⑧ **Reduced footprint** is a system feature due to technology such as our all-aluminum coils, giving you greater installation flexibility.
- ⑨ **Coil is easier to clean**, all aluminum coils provide high corrosion resistance. Innovative design decreases unit weight and refrigerant requirements..
- ⑩ **Rounded corners** on our air conditioners enhance the look of the equipment as well as their safety.
- ⑪ **Powder-coated exteriors** provide a sleek finish and help increase the unit's durability.

Technology	Essentials		Brilliance	
	Single-speed, Fixed-speed motors Base efficiency		Multi-stage, Variable-speed motors High efficiency	
Split air conditioners	FSA3BD	Up to 13.4 SEER2	FSA3BF	Up to 15.2 SEER2
	FSA3BE	Up to 14.3 SEER2	FSA1BG	Up to 19.0 SEER2

Heat Pumps

With the ability to both heat and cool your home using electricity, heat pumps offer the Total Comfort, Total Quality, and Total Appeal you need to keep you cool in the summer and cozy in the winter. Relax and recharge while reaping the benefits of efficient, quiet performance.

TOTAL COMFORT

- ① **Swept-wing fan blade** reduces unwanted noise significantly.
- ② **Compressor sound blanket** further muffles noise associated with normal operation.
- ③ **Composite base pan** absorbs sound and enhances equipment durability.
- ④ **Inverter-driven compressors** modulate between different capacities to provide more even temperatures and increased energy efficiency.*

*FSH1BG only

TOTAL QUALITY

- ⑤ **Galvanized steel metal jackets** include a corrosion-resistant salt-spray tested finish to protect your unit from excessive wear and tear.
- ⑥ **All-aluminum coil technology** undergoes rigorous quality testing and resists corrosion for long-lasting performance.
- ⑦ **Comfort Promise warranty** ensures you're covered should anything happen to your equipment. When matched and registered, equipment carries a 10-year limited parts warranty and 10-year quality pledge.

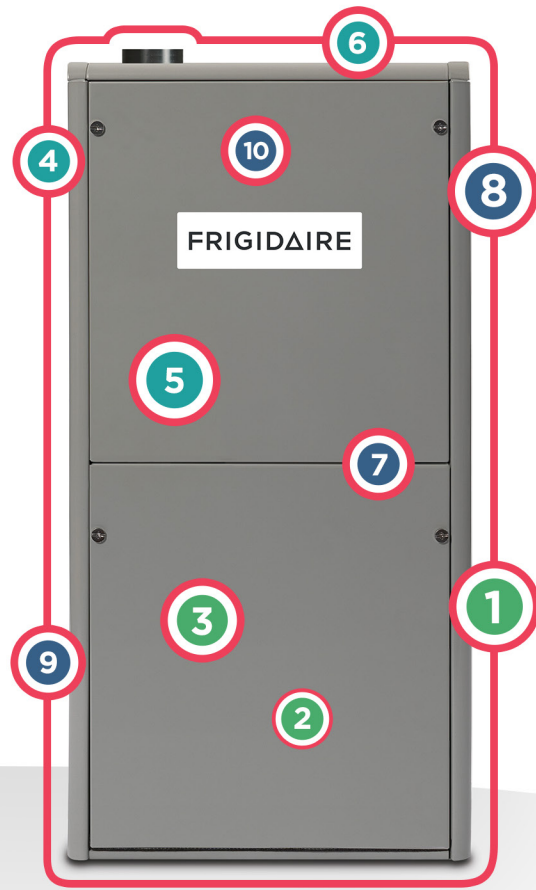

TOTAL APPEAL

- ⑧ **Reduced footprint** is a system feature due to technology such as our all-aluminum coils, giving you greater installation flexibility.
- ⑨ **Coil is easier to clean**, all aluminum coils provide high corrosion resistance. Innovative design decreases unit weight and refrigerant requirements.
- ⑩ **Rounded corners** on our air conditioners enhance the look of the equipment as well as their safety.
- ⑪ **Powder-coated exteriors** provide a sleek finish and help increase the unit's durability.

	Essentials		Brilliance	
Technology	Single-speed, Fixed-speed motors Base efficiency		Multi-stage, Variable-speed motors High efficiency	
Split heat pumps	FSH3BE	Up to 14.3 SEER2, 7.5 HSPF2	FSH3BF	Up to 15.2 SEER2, 7.8 HSPF2
			FSH1BG	Up to 18.8 SEER2, 8.5 HSPF2
	GXHC_MSK4DH		Ultra Side Discharge	Up to 17.0 SEER2, 9.0 HSPF2

Gas Furnaces

Invest in your family's home comfort during the winter with a Frigidaire HVAC gas furnace. These units offer everything you need to achieve Total Comfort, Quality, and Appeal when the temperatures drop, and you want to stay cozy indoors.

TOTAL COMFORT

- 1 **Insulated blower cabinet** reduces heat loss to maximize comfort and efficiency.
- 2 **Variable-speed motors** featured on select models can help enhance the efficiency of your HVAC system while providing maximum comfort.
- 3 **Blower-on and blower-off delays** ensure comfortable temperatures when your unit begins circulating air.

*All gas furnaces except FG8SA & FG8SD Ultra-Low NOx

TOTAL QUALITY

- 4 **SmartLite® Technology*** learns the start-up characteristics of your furnace and makes adjustments to maximize the life of your furnace's igniter.
- 5 **100% fired and tested** to ensure each furnace installed meets our rigorous quality standards.
- 6 **Comfort Promise warranty** ensures you're covered should anything happen to your equipment. When matched and registered, equipment carries a 10-year limited parts warranty and 10-year quality pledge.

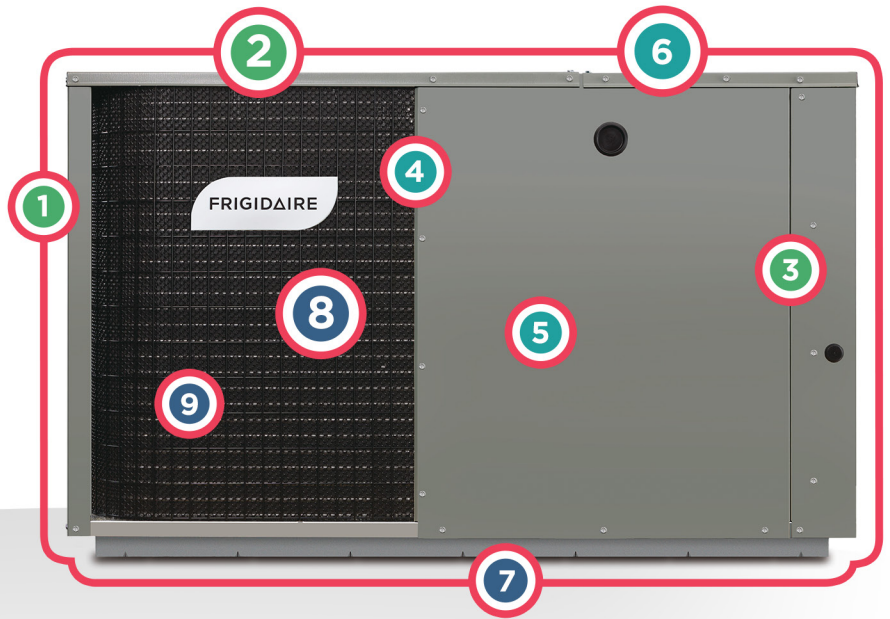

TOTAL APPEAL

- 7 **Galvanized steel metal jackets** include a corrosion-resistant salt-spray tested finish to protect your unit from excessive wear and tear.
- 8 **Rounded corners** on our gas furnaces enhance the look of the equipment as well as their safety.
- 9 **Two-tone paint scheme** elevates the look of our furnace and provides a dynamic aesthetic.
- 10 **Powder-coated doors** provide a sleek finish and help increase the unit's durability.

Technology	Essentials		Brilliance	
	Single-speed, Fixed-speed motors Base efficiency		Multi-stage, Variable-speed motors High efficiency	
Gas furnaces	FG7SA FG7SK	80% AFUE	FG7TA-VS	80% AFUE
	FG8SA	80% AFUE	FG7TC-VS	Up to 95% AFUE
	FG7SC	Up to 92% AFUE	FG7TE	Up to 96% AFUE
	FG8SD	Up to 95% AFUE	FG7TE-VS	Up to 97% AFUE
	FG7SD	Up to 95% AFUE	FG7TN-VS	Up to 96% AFUE

Packaged Units

Elevate your home comfort with the Total Comfort, Quality and Appeal of a Frigidaire HVAC packaged unit. This diverse line of all-in-one outdoor heating and/or cooling systems offers homeowners the Total Package no matter their HVAC needs.

TOTAL COMFORT

- ① **Zero clearance installation capabilities** of our packaged units reduce heating/cooling loss for increased comfort.
- ② **Low-vibration fan blade paired with a custom venturi condenser fan** significantly reduces unwanted noise.
- ③ **Hot gas bypass defrost system** on packaged heat pump ensures your unit continues providing optimal home comfort year round.

TOTAL QUALITY

- ④ **Galvanized steel metal jackets** include a corrosion-resistant salt-spray tested finish to protect your unit from excessive wear and tear.
- ⑤ **All-aluminum coil technology** undergoes rigorous quality testing and resists corrosion for long-lasting performance.
- ⑥ **Comfort Promise warranty** ensures you're covered should anything happen to your equipment. Equipment carries a 10-year limited parts warranty and 10-year quality pledge.

TOTAL APPEAL

- ⑦ **Standard footprint** is a system feature for greater installation flexibility.
- ⑧ **Wire, coated guards** will never rust and prevent damage from the unit.
- ⑨ **Coil is easier to clean**, making it easier for your servicer to keep your unit looking good outside of your home.

	Essentials		Brilliance	
Technology	Single-speed, Fixed-speed motors Base efficiency		Multi-stage, Variable-speed motors High efficiency	
Packaged units	P94RD	Up to 13.4 SEER2	R104HD	Up to 13.4 SEER2, 95% AFUE
	Q94RD	Up to 13.4 SEER2, 6.7 HSPF2		
	Q104SD	Up to 13.4 SEER2, 6.7 HSPF2		
	R104GD	Up to 13.4 SEER2, 81% AFUE		
	R104GD-ULN	Up to 13.4 SEER2, 81% AFUE		

Air Handlers

Your air conditioner or heat pump needs **the perfect match.**

If you use an air handler, instead of a coil and gas furnace, in your home, your Frigidaire HVAC comfort specialist will match your outdoor equipment with an air handler that **enhances the Total Comfort, Quality, and Appeal** of your central system.

Coils

At Frigidaire HVAC, we take pride in our all-aluminum coil technology. These coils are **50% lighter and 30% smaller** than other coils, enhancing Total Appeal through benefits like smaller footprints. They also use **30% less refrigerant**, which can potentially **lower installation costs and increase the eco-friendliness** of your unit.

Discover Comfort.

At Frigidaire HVAC, we don't just provide HVAC solutions. Our revolutionary Total Package ensures homeowners get the perfect blend of performance, durability, and aesthetic appeal. As your trusted heating and cooling supplier, we elevate comfort with reliable, energy-efficient equipment that sets the bar high.
